Three Horizons “Developing your Organisation into the future” Exploration Session

Thursday 18 February 10.00 – 12.00

All our organisations have been affected by the pandemic and required to make changes to the way we work. But not all changes were negative. This session introduces the Three Horizons model (which is used by the NHS) to help us identify the disruptions we have experienced and carry forward the changes that we have needed to make and want to take forward. There is an option after this to choose CVS to facilitate more in-depth work with your organisation.

Facilitated by Katie Chaplin and Anja Kroening Maynard, Teignbridge CVS

Refresher Training – Working Face to Face

Tuesday 9 March 10.00 – 12.00

After such a long time delivering services online, over the phone and whilst being socially distanced, this learning session reminds us about good practice relating to delivering/ managing face-to-face work – be it befriending, driving, running groups etc and will help to build back confidence as we begin to support people in some of the ways we did before COVID and in some of the new ways we have found that we would like to keep.

Delivered by Anja Kroening Maynard, Teignbridge CVS

Funding - Ten Top Tips

Departure Lounge – Talking about Death and Dying

Wednesday 17 March 10.30 – 12.00

Covid-19 has changed both how we live, and how we die. Not only has the pandemic impacted every aspect of our life - how we behave, how we work, and how we socialise - it has brought death and dying into our daily reality. Further, the isolation conditions that this disease imposes means that our traditional rituals around death and dying - physical closeness, time with those that are ill, face-to-face contact with friends and support networks - were/are no longer possible.

This session is an opportunity for you to talk about death and dying, what a good death – and a good life - look like. The session, which is participant led, offers a safe space to discuss and explore our feelings and thoughts.

If you would like to run a similar session within your organisation or community CVS can share Departure Lounge Information and materials with you. Please contact anja@teigncvs.org.uk if you would like to attend.
