
ASHBURTON SOUP

Bring your great Ideas for your community !

Friday 24th September 2021 | 6.00pm – 8.30pm
Ashburton Town Hall

A tasty, enjoyable COMMUNITY FUNDRAISING EVENING... and YOU get to decide who takes home the funds raised!

Entry is by donation: people get a bowl of soup, a tasty chunk of bread, and a vote to support the local projects that benefit their own community.

Several local community members & groups tell us about their project, idea or proposal, and the most popular initiatives get a proportion of all takings on the door, as well as a share in a donation from a local benefactor, to help fund their community-benefiting idea or project.

Community members can also offer their support in other ways, such as time, expertise or contacts.

Want to **PITCH** a project?

Get in touch with us before 8th September:
